experience racism, identify as D/deaf, disabled or neurodivergent, or come from a disadvantaged socio-economic background.

If you think you qualify for a bursary, please make sure to let us know when applying. If you are eligible and a bursary is available, we will ask you to confirm again at the point that we provide you with a contract, and the discount will be applied to your rent for the full term of your lease (five years). The bursaries are made possible by the West of England Visual Arts Alliance, supported by Arts Council England.

Rent must be paid monthly by direct debit. A deposit of 2 months' rent must be paid in advance. Rents increase by 3% each year. The notice period for vacating a studio is two months for both the tenant and the landlord.

Spike Island accepts applications for studio spaces and are reviewed by the selection panel. If successful, artists enter into the studio pool to take up sublets and studio spaces as and when they become available.

Please note that all Spike Island studio holders wishing to apply for a new lease at the end of their initial five-year term will need to undergo a review as part of the Studio Review Process.
